About Me

I'm an aspiring web developer eager to learn and create. I enjoy turning
ideas into functional and aesthetically pleasing websites. My journey in
web development is just beginning, and I'm constantly seeking new
challenges and opportunities to grow my skills.

Outside of coding, you can find me enjoying [your hobby 1] or [your hobby 2]. I believe in continuous learning and always strive to improve myself, both professionally and personally.

Skills

HTML	CSS
JavaScript	
Git&GitHub	Responsive Design
Basic React(optional)	
Problem solving	Learning Agility

My Projects

My Portfolio

Project 1: Interactive Gallery

Developed a responsive image gallery using HTML,
CSS Grid, and JavaScript for dynamic filtering.

Live Demo   GitHub Repo

Project 2: To-Do List App

A simple yet functional To-Do list application built
with vanilla JavaScript, demonstrating DOM
manipulation.
